**WINE ENTHUSIAST**

**91** pts.

*Fresh berry-pie aromas waft from the glass of this Pinot. The palate shows spicier sassafras, cinnamon and cedar layers atop a core of Bing cherry and raspberry fruit. Great value to be had here. Drink with roasted salmon.*

Tom R. Capo – Wine Enthusiast Buying Guide Review, November 2024

## DNA Vineyards 2022 Russian River Valley Estate Pinot Noir

### Viticulture

Handpicked from our estate vineyard in the Laguna Ridge region of the Russian River Valley, our Pinot Noir exemplifies the exceptional combination of soil and climate that produce some of the world's finest wines.

### Tasting Notes

**Red Fruits:** Prominent notes of cherry, strawberry, and raspberry contribute to a fresh and vibrant profile.

**Oak Influence:** Subtle undertones of vanilla and chocolate are present, reflecting the influence of oak aging.

**Depth and Maturity:** Blackberry and plum add complexity, complemented by earthy nuances.

### Certifications

DNA Vineyards has been crafting private label wines for national retailers for 20 years, with a focus on combining decades of experience with thousands of years of grapevines' evolving genetics to produce outstanding wines with incomparable price to quality ratios. We maintain vineyards in Sonoma and Mendocino Counties in California and contract with premium growers in the region to make our wines in local, state-of-the-art facilities.
